

Opportunity for 6th Graders Excited About Math

The OJH Math Team is inviting Oakwood 6th graders to join them at the Dayton MathCounts competition

What: 6th-8th grade MathCounts Competition

When: Sat, Feb 6, 2027, 8:30 am-3:00 pm

Where: Wright State University

Why: build excitement about math, experience challenging math problems, have fun, and make connections with the Junior High

Who to contact: Coach Ben (mathcoachben@gmail.com)

Details: We'll share practice tests with the students ahead of time, and, if there is interest, hold an optional after school practice or two at the library. Kids don't have to think of themselves as exceptional math students - kids of all levels will find themselves having fun, being challenged, and feeling excited about math. There is a \$42 registration fee before November 3rd.
